Section 2. Additional Units of St. Ives (Alcoa) may be made subject to this Declaration by recordation of additional declarations at the sole discretion of the Developer, its successors or assigns.

Any such subsequent Declarations of Covenants and Restrictions once approved by said Developer shall interlock all rights of members to the Association to the end that all rights resulting to members of the Homeowners Association shall be uniform as between all units of St. Ives (Alcoa) Subdivision.

ARTICLE III

MEMBERSHIP, BOARD OF DIRECTORS, AND  
VOTING RIGHTS IN THE ASSOCIATION

Section I. MEMBERSHIP.

Every person or entity who is the owner of a fee or undivided fee interest in any Lot shall be a member of the Association, provided that any such person or entity who holds such interest merely as a security for the performance of any obligation shall not be a member. Membership shall commence on the date such person or entity becomes the owner of a fee or undivided fee interest in a lot and expires upon the transfer or release of said ownership interest.

Section 2. VOTING RIGHTS

The Association shall have two classes of voting membership:

CLASS A. Class A members shall be all those owners as defined in Section 1 with the exception of the Developer. Class A members shall be entitled to one vote for each Lot in which they hold the interests required for membership by Section 1. When more than one person holds such interest or interests in any Lot, all such persons shall be members, and the vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any such Lot.

CLASS B. Class B members shall be the developer. The Class B member shall be entitled to one vote for each Lot in which it holds the interest required for membership by Section 1.

Said Class B membership shall be non-transferable and shall remain in the Developer, its successor or assigns, until such time as the Developer, its successors or assigns, has relinquished ownership in all lots within the subdivision or the Developer deems it appropriate to terminate Class B membership.

Once the Developer, its successors or assigns, has relinquished ownership in all lots in the subdivision, Class B membership shall cease to exist and from and after such time there shall only be Class A membership.

**Section 3. BOARD OF DIRECTORS.**

The Association shall be governed by a Board of Directors to be elected annually by the membership. Class A members shall elect two Directors. Class B members shall elect three Directors.

**ARTICLE IV**

**PROPERTY RIGHTS IN THE COMMON PROPERTIES.**

**Section 1. MEMBERS' EASEMENTS OF ENJOYMENT.**

Subject to the provisions of Section 3, every Member shall have a right and easement of enjoyment in and to the Common Properties and such easement shall be appurtenant to and shall pass with the title to every Lot.

**Section 2. TITLE TO COMMON PROPERTIES.**

The Developer may retain the legal title to the Common Properties until such time as in the opinion of the Developer the Association is financially able to maintain the same. At such time the Developer shall convey and transfer to the Common Properties to the Association.

**Section 3. EXTENT OF MEMBERS' EASEMENTS**

The rights and easements of enjoyment created hereby shall be subject to the following:

- (a) The right of the Association to take reasonable action to protect and preserve the rights of the Association and the Individual members in and to the Common Properties, including but not limited to, rights to prevent the sale or confiscation of said Common Properties from creditors or lien holders of the Association or Membership.
- (b) The right of the Association to dedicate or transfer all or any part of the Common Properties or areas to any public agency, authority, or utility for such purposes and subject to such conditions as may be agreed upon by the Board of Directors of said Association; provided, however, that no such dedication or transfer, and the conditions and provisions incident thereto, shall be effective unless approved by at least three members of the Board of Directors at a duly constituted board meeting.

**ARTICLE V**

**COVENANT FOR MAINTENANCE ASSESSMENTS**

**Section 1. CREATION OF THE LIEN AND PERSONAL OBLIGATION OF ASSESSMENTS.**

The Developer for each Lot owned by him within the Properties hereby covenants and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association:

- (1) Annual assessments or charges; and
- (2) Special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The annual and special assessments together with such interest thereon and costs of collection thereof, including attorneys fees, as hereinafter provided shall be a charge on the land and shall be a continuing lien upon the property against which each assessment is made. Each such assessment, together with such interest thereon and cost of collection thereof as hereinafter provided, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

**Section 2. PURPOSE OF ASSESSMENT**

The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, welfare of the residents of the properties, and in particular for the improvement, maintenance and beautification of properties, services, and facilities devoted to this purpose and related to the use and enjoyment of the Common properties including but not limited to the payment of taxes and insurance thereon and repair, replacement, and addition thereto, and for the cost of utilities, labor, equipment, materials, management and supervision thereof. The assessments shall not be specifically limited to the Common Areas, but shall extend to and include the right to maintain and repair the streets and access ways and the lighting, traffic signals and signs pertaining to the subdivision, and its portion of the costs incident to the maintenance of the retention basin located on adjacent property. The cost of the operation and maintenance of street lights and lighting regardless of the location within the subdivision and the proximity to the individual lots shall be borne equally and prorated as to each lot without regard to the ownership; it being the intent of this requirement to insure the safety, enjoyment and security of the entire subdivision.

**Section 3.**

The Developer shall have the right to determine and set the annual assessment for the first year from and after the establishment of the Homeowners Association. The assessment shall be a sum reasonably necessary as deemed by the Developer to defray the expenses of the Association for the first year. From and after the expiration of the first year, the assessment may be adjusted upward or downward as herein provided.

In view of the fact that Developer shall incur all of the initial costs of constructing, building, and installing common facilities, incurring most of the initial maintenance costs of same, and subsequently transferring said Common Properties to the Association free of cost, the said Developer shall not be required to pay on lots owned by it any annual or special assessment required hereunder or levied by the Association.

**Section 4. SPECIAL ASSESSMENTS FOR CAPITAL IMPROVEMENTS.** In addition

to the annual assessments authorized by Section 3 hereof, the Association may levy in any assessment year a special assessment applicable to that year only for the purpose of defraying in whole or in part the cost of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Common Properties including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of at least three (3) members of the Board of Directors.

**Section 5. CHANCE IN BASIS AND MAXIMUM OF ANNUAL ASSESSMENTS.**

The Association may change the maximum and basis of the assessment fixed by Section 3 hereof prospectively for any period provided that any such change shall have the assent of at least three Members of the Board of Directors.

**Section 6. QUORUM FOR ANY ACTION AUTHORIZED UNDER SECTIONS 4 AND 5**

The quorum required for any action authorized by Sections 4 and 5 hereof shall be as follows:

At the first meeting called as provided in Sections 4 and 5 hereof, the presence at the meeting of Members or of proxies entitled to cast fifty-one percent (51%) of all the votes of the membership shall constitute a quorum. If the required quorum is not forthcoming at any meeting, another meeting may be called subject to the notice requirement set forth in Sections 4 and 5 and the required quorum at any such subsequent meeting shall be one-half of the required quorum at the preceding meeting provided that no such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

**Section 7. DATE OF COMMENCEMENT OF ANNUAL ASSESSMENTS.**

The first annual assessment shall become due and payable on the first day of the month following the lapse of thirty (30) days from the date of the sale of the first lot in St. Ives (Alcoa) Subdivision. Thereafter as each person or entity becomes a member such new members' assessment for the current year shall be a prorata part of the annual assessment and shall be due on the first day of the month following the date such person or entity becomes a member of the Association. Upon a person or entity's ceasing to be a Member of the Association, such Member shall not be entitled to any refund of his annual assessment.

It shall be the duty of the Board of Directors to notify each owner of any change in the annual assessment or any special assessment and the due date of such assessment. The requirement of notice shall be satisfied if such notice is given by regular deposit in the United States Mail to the last known address of each such owner.

The due date of any special assessment under Section 4 hereof shall be fixed in the resolution authorizing such assessment.

**Section 8. EFFECT OF NON-PAYMENT OF ASSESSMENT. THE PERSONAL OBLIGATION OF THE OWNER; THE LIEN, REMEDIES OF ASSOCIATION**

If the assessments are not paid on the date when due (being the dates specified in Section 7 hereof), then such assessment shall become delinquent and shall, together with such interest thereof, and cost of collection thereof as hereinafter provided, thereupon become a continuing lien on the property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. The personal obligation of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period and shall not pass to his successors in title unless expressly assumed by them.

If the Assessment is not paid within thirty (30) days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of ten percent (10%) per annum, and the Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the cost of preparing and filing the complaint in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney fee to be fixed by the Court together with the costs of the action.

**Section 9. SUBORDINATION OF THE LIEN TO MORTGAGES**

The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the properties subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such property pursuant to a decree of foreclosure or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such property from liability for any assessments thereafter becoming due nor from the lien of any such subsequent assessment. An assessment shall not be subordinate to a mortgage held by a prior owner who was the Owner at the time such assessment accrued.

**Section 10. EXEMPT PROPERTY**

The following property subject to this Declaration shall be exempted from the assessments, charge and lien created herein:

- (a) All properties to the extent of any easement or other interest therein dedicated and accepted by the local authority and devoted to public use;
- (b) All Common Properties as defined in Article I, Section 1 hereof; and
- (c) All properties exempted from taxation by the laws of the State of Tennessee or United States Government upon the terms and to the extent of such legal exemption.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges or liens.

**Section 11. MANAGEMENT.**

The Homeowners Association acting by and through its Board of Directors shall have the right to engage and employ such individuals, corporations or professional managers for the purpose of managing and maintaining the common areas and performing such other duties as the Board of Directors shall from time to time deem advisable in the management of the Homeowners Association.

**ARTICLE VI**

**TERM**

These covenants are to take effect immediately and shall be binding on all parties and all persons claiming under them until 1 January 2025 at which time said covenants shall be automatically extended for successive periods of ten (10) years unless by vote of the majority of the then owners of lots it is agreed to change said covenants in whole or in part.

**ARTICLE VII**

**ENFORCEMENT**

If the parties hereto or any of their heirs and assigns shall violate or attempt to violate any of the covenants or restrictions herein, it shall be lawful for the Association or any owner as defined herein to prosecute any proceeding at law or in equity against the person or persons violating or attempting to violate any such covenants or restrictions and either to prevent him or them from so doing or to recover damages or other dues for such violation.

**ARTICLE VIII**

**SEVERABILITY**

Invalidation of any one of these covenants by judgment or court order shall not in any way affect any of the other provisions which shall remain in full force and effect.

**ARTICLE IX**

**BUILDING LOCATION**

No building shall be located on any lot nearer to the front, side or rear boundary than the zoning regulations of the City of Alcoa permit. The City of Alcoa zoning authority shall have the exclusive authority to permit or deny variances in hardship cases as to building location requirements.

The St. Ives (Alcoa) Subdivision Advisory Committee shall be composed of three members appointed by the Developer. A majority of the Committee may designate a representative to act for the Committee. In the event of the death or resignation of any member of the Committee, the Developer shall have the exclusive authority to designate a successor. Neither the members of the Committee nor its designated representative shall be entitled to any compensation for services performed pursuant to this covenant. In the event the said Committee or its designated representative fails to approve or disapprove such plans or specifications within twenty (20) days after the same have been submitted to it, such approval shall be implied and no longer required and this covenant will be deemed to have been fully complied with. Further, such plans must be left with St. Ives (Alcoa) Subdivision Advisory Committee during the period of construction after approval. Further, if no suit to enjoin the construction has been filed prior to completion thereof, approval will not be required and the covenant shall be deemed to be fully satisfied. In the event St. Ives (Alcoa) Subdivision Advisory Committee rejects plans submitted for approval under this covenant, upon written application for approval by seventy-five percent (75%) of lot owners within a two hundred (200) foot radius of the affected lot the said proposed plans shall be deemed approved by the St. Ives (Alcoa) Subdivision Advisory Committee.
